

ECO ALLIANCE, S.A. was created in January 2012 to develop local ecological agriculture projects, conducted in a sustainable and environmentally-friendly way, with a strong commitment to quality from all of the actors involved in the elaboration and sale of the product. ECO ALLIANCE, S.A. registered the trademark OLEANZA for the commercialisation of its ecological oils, having other registered trademarks for the commercialisation of other ecological products, thus taking advantage of the markets it gained access to through the sale of its oils. All of the materials used under trademarks registered by ECO ALLIANCE, S.A. in all phases of production are respectful to the environment and do not contain polluting substances.
